Inside school this week....

Oh what a busy week! both Year R and Year 1 have been out and about enhancing their learning with first hand experiences at Bucklebury Farm and Alice Holt.

Year R had an exciting time looking a wide variety of farm animals including Benjamin Bunny, Bob the Peacock, a large pot belly pig with her piglets as well as lambs and alpacas. Year R took a tractor ride to see the large herd of red deer and were also able to hold guinea pigs, a tortoise and baby rabbits.

Year 1 were all involved in making dens, searched for woolly worms and pretended to be animals in a dark tunnel as well as a minibeast hunt.

A fabulous experience has been had by all, however these excursions can only run on enough donations being received and may in the future be cancelled if costs cannot be covered.

Term Dates

25/07/17 Inset Day - school closed to children

School gates will open at 3.05pm each day. This allows for children to finish their learning and get ready for home without distraction. Thank you.

New fidget craze

Please note that "fidgets" are not allowed in school. Thank you.

Hook Parish Council Health and Wellbeing event

A FREE event on Saturday 20th May at Hook Community Centre from 11am to 5pm:

Over 30 exhibitors featuring the Police 'Battle Bus' with children's activities, Sexual Health Team, exercise and other local groups

FREE First aid and Defibrillator training

Talks on Meditation, Health and Nutrition, the Princess Trust for Carers, Hampshire Constabulary and more

Tesco will be hosting a snack area selling drinks and light bites e.g. pizza, sausage rolls, homemade cakes (made by the Hook in Bloom volunteers) with all proceeds from the snack area going to Hook in Bloom

The Base will be providing entertainment and free fruit kebabs for children (6 yrs +) from 12 noon – 2pm, so parents can attend talks and browse the exhibition without distraction

There is an opportunity for all to try out our 'Smoothie Bike' and create a delicious fruit drink whilst exercising.

The talks and demonstrations have limited capacity and, last year, the First Aid training proved extremely popular. Therefore, please arrive early to secure your place.

Again, we are able to hold this event, thanks to funding from the Big Lottery Fund 'Awards for All' grant scheme. Last year's feedback from both exhibitors and visitors revealed that it was a great village networking opportunity.
