Inside school this week....

Year R have had a really exciting start to their transport theme this week. On Monday we opened the big fire gates and let a double decker bus onto the playground. Each class took it in turns to go onto the bus to look around, ding the bell and beep the horn. Our thanks to Mr A Bone of A.S. Bone and Sons Ltd for taking the time out of his busy day to let our children have this exciting experience.

Thank you for your understanding this morning coming into school, our caretakers, Ms Carter-Morgan and Mr Keler, had worked really hard last night and again this morning to ensure the safety of all our site users, but unfortunately the playground was very slippery.

Year R helpers wanted

We welcome help for as much time as you have available. Parental help makes a very significant contribution to children's learning and development. It enables children to get extra practice with basic skills and allows them to experience a wider range of activities.

* **First thing:** Half an hour in the morning to enable children who have finished reading a book the previous evening to change their book. Adults are needed to ensure they have chosen a suitable book and to complete the reading record.

* **Morning or afternoon:** Working with small groups with activities such as turn taking games, hand gym, handwriting, using the computers or iPads, art and reading.

Qualifications.... A little bit of time and a DBS clearance. Please come to the school office with your name and email address so that we can complete this process for you.
