Friday - Starfish class assembly.

Inside school this week....

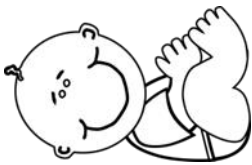

Dolphin Class assembly had a friendship theme. The children told us all about the qualities a good friend should possess and performed a short drama about some colouring crayons in the crayon box. All the children spoke out really well in front of their audience, no mean feat at the tender age of five – Well done Dolphins.

Please can we ask that you check and name your child's school shoes. Children regularly remove them for PE activities as well as fun in the mud pit. It is very hard to match shoes to children when there are so many similar sizes and styles. In one class this week 17 out of 24 pairs were not named. Thank you for your help in keeping belongings with their rightful owners. We understand they are a very expensive commodity.

It gives me great pleasure to share some exciting news with you, Mrs Tudor is expecting a baby. Mrs Tudor is planning to begin her maternity leave after February half term 2017 and I am very glad to say Mrs O will be extending her working week to cover Mrs Tudor's maternity leave. I am sure you would like to join me in saying congratulations and fingers crossed for an easy pregnancy.

Parent Consultation Evenings

Parent consultation evenings are on **Monday 17th October** and **Wednesday 19th October** from 3.45-7.15pm. This is one of your opportunities to speak with your child's class teacher to discuss their progress, targets and ways of helping your child with their learning. The "sign-up" sheets are available in the entrance reception and I would encourage all parents to reserve a slot.

If you are unable to attend school in person to reserve a consultation slot, Mrs Evans is quite happy to receive a phone call, after 9am please, and sign you up for a mutually agreeable time. These meetings are for **adults only**, your child needs to remain **outside** of the classroom, if attending.
