Inside school this week....

Penguin class were showcasing their art work during their class assembly. The colourwash backgrounds with dragons in pastels and caves of charcoal were beautiful creations. They entertained everyone with their "Three Dragons" song from behind their masks.

Year R children have continued working on their transport theme. This week you may have noticed each class walking to the train station and thoroughly enjoying a train trip to Basingstoke.

Data collection sheets have been sent home with each child this week. Please check if the information is correct, adjust if necessary then sign and return to the school office. Thank you.

Following the deadline for applications for a school governor, I would like to welcome Mr James Flood to the Governing body as a Parent Governor.
