Inside school this week....

Flamingo class treated us to a mathematical assembly last week. It was very evident that they are brilliant at their number bonds, counting in twos, fives and tens and they clearly really enjoy their maths lessons.

Christmas Jumper Day - Friday 16th December

Once again we will all be supporting Christmas Jumper Day.

On the last day of term children can wear a Christmas Jumper instead of their blue school jumper or cardigan.

You do not need to purchase a "Christmas Jumper" but maybe add a decoration / piece of tinsel to a jumper already owned.

A collection will be made for Save the Children.

Please can I remind parents / carers to be more considerate when parking around the school in local residential streets and in particular **NOT** blocking driveways. Tonight somebody may be walking home alone from the train station because they had no access to their car this morning. Thank you for your cooperation.

Tickets will be available from Tuesday 22nd November for the Christmas Nativities for each Year Group as follows:

Year 2 - 2 tickets available per child, for only one performance in St Johns Church.

Year 1 - 2 tickets available per child, for only one performance in the School Hall.

Year R - 2 tickets available per child, for one performance for their class in the School Hall.

Tickets are free but must be presented to gain entry to the performance. No other children will be admitted.

Tickets should be collected in advance from the school office.

A collection will be made by children at the end of each performance and donated to Great Ormond Street Hospital, a charity close to the Hook Infant School Community.
